

.To PIA Members and Partners:

We hope this email finds you well as you meet the Covid-19 challenge head on. These are difficult times but if we all pull together for the common good, we will make it through.

We know that you have a lot of worries and are dealing with a lot of changes in how you operate your businesses. PIA is here to help if you need assistance or want to brainstorm ways you can get through this time of self-quarantine. Many agencies are allowing their staff to work from home and we recommend that you look into that option for your agency.

We have cancelled all of our classes for the next 30 days and are constantly monitoring Virginia government, WHO and CDC websites so that we can react quickly and appropriately to ensure the safety of our students. We have already rescheduled the Ruble in Richmond from this week to mid-August. Because webinars are the preferred alternative to classroom education, we are reducing the cost of webinars. More information will be posted on our website soon.

As of today, our Annual Convention is still planned for June 26-27th but we do have an alternate date in August if necessary. By then, we will all appreciate some time at the beach.

One last thing, we are moving our office on Wednesday March 25th. We will not be available by email on that day. Our phones will still be operable on Wednesday but they will be off on Thursday morning as we move to our new voice over IP service, which will better enable the PIA staff to work from home, if needed.

Please call us if we can help in anyway.
