

### PIA Carrier Showcase

Company interest has been growing for something very new in PIA Convention programming. With help from PIA's Company Executive Advisory Council (CEAC), PIAVA/DC is responding in 2010 by hosting a special **Carrier Showcase** for select company representatives to roll-out new product offerings and update agents on exciting new process improvements that can build your productivity and profitability. Participation in this special General Session on the 2010 Convention program is limited due to time constraints.
